Professional Experience

UCONN Internal Insights & Innovation, Storrs, CT
Student UI/UX Designer, May 2025 - May 2026

- Design and prototype low-, mid-, and high-fidelity website layouts in Figma, translating user and client needs into functional, visually cohesive designs.
- Build and maintain responsive websites in WordPress, using page builders and custom CSS to align with institutional branding and accessibility standards.
- Collaborate with supervisors, clients, and team members to collect, interpret, and implement design feedback, ensuring usability and aesthetic quality.
- Conduct user-focused revisions and optimize site structure and navigation based on feedback and analytics.
- Support multiple university web projects simultaneously while maintaining a consistent design system and documentation process.

University of Connecticut, Stamford, CT
Media Cage Employee, January 2024 - May 2024

- Maintaining consistent contact with students through media cage email while on duty.
- Preparing equipment for check out prior to arranged pickup times.
- Meticulously examining equipment to test and inspect condition and ensure that all parts and accessories are accounted for and in working order.
- Formatting media cards and charging batteries for all equipment.
- Maintaining updated inventory utilizing Cheqroom software for all equipment reservations, checkouts, and returns.
- Supporting faculty and classes with equipment check out and return.

Leslies Pool Supplies, Fairfield, CT
Seasonal Retail Sales Associate, May 2022 – August 2023

- Greeted and assisted customers with their pool and spa needs
- Accurately and timely completed sales transactions using POS system
- Maintained a welcoming, clean and safe environment while following COVID-19 guidelines
- Assisted with merchandising and inventory control
- Packaged and shipped OMNI/online orders
